Best Practice – 2

Title of the Practice : Participation at National Level in Boxing.

Objectives of the Practice:

- To provide national level competencies and environment to our students.
- To motivate students to participate in University / State / National level competitions.
- To inculcate sportsmanship among the students participating in sports.

The Context: The institute promotes sports among the students and has a vibrant physical education department. Boxing, being one of the chosen games at the college has received special attention. Our students perform very well, but faced challenges regarding national standards and a good boxing ring. The institute is located in the semi urban area and the students come from a vivacious sports background. Therefore, the institute fosters the students by developing its infrastructure related to sports.

The institute established the boxing ring as per the required standards in 2002-2003 and renovated it in the year 2013-2014. Ours is the only college to have such a standardized boxing ring in university.

The Practice: Since ten years the institute has been using the boxing ring for organizing university and district level competitions. The college has groomed many national players. Not only does the college organize, but it also develops an ambience that promotes equity, forthrightness and involvement among students. In last five year 8 of our students participated at national level. The physical education department invites Olympic player, Mr. Manoj Pingale, national players and referees to counsel, guide and motivate the students as well as to develop world class competencies.

Evidence of Success: Since the year 2014-15 the students have won the district championship in succession. Following eight students have participated at national level:

1) Sarika Kul

- 2) Raviraj Hargude
- 3) Sudhir Shivale
- 4) Pallavi Navale
- 5) Ritesh Katke
- 6) Kiran Hargude
- 7) Bhagyashree Shitole
- 8) Vaishnavi Satav

Due to the initiatives taken by the institute and the department, its alumni also participate in coaching the students and providing them with proper guidance and motivation.

Problems Encountered:

• Unavailability of a standardized boxing ring.

Financial help.
