Internal Quality Assurance Cell (IQAC) contributed for institutionalizing the quality in terms of best practices.

Title : [Extra Curricular Activity](#)

The goal : To involve students in social activities in compliance with the vision of the parent body and institute.

The context : The institution was established with the vision of 'Exploring Youth Capabilities for Social Service'. The institute works under the guidance of its parent body, BJS that excels in social service and disaster response. The activities organised by different committees bear the stamp of our parent body, and inculcate the same spirit in the students.

The institute organizes activities like tree plantation, *raksha bandhan*, rallies for voting awareness, local village issues, earn and learn scheme for poor and needy students.

To inculcate nationalism in students the institute celebrates birth anniversaries of National heroes.

Evidence & Success: Students actively organize and participate in such activities.

Title: [Easy access to departmental documents.](#)

The Goal: Paperless access to the departmental documents.

The Context: The institute aims at paperless documentation through digitization for ease of access.

Institute organized a workshop on paperless documentation and the IQAC implemented the same through formation of different folders on drive that can be accessed by IQAC and all departments. The faculty can easily upload and access the required documents. The internal audit of department is done by faculty members of other departments. The validation of this academic audit is done by internal and external auditor. The committee analyses and provides rating after observation. This rating is used to frame Action Taken Report (ATR) which is communicated to the departments.
