Activity Report :-

Best Practice No.1 : “Malhotra Weikfield Foundation Scholarship for Meritorious students”

Malhotra Weikfield Foundation (MWF) established in year 2007 provides scholarships to 20-25 students per year for both Under Graduate (BSc) and Post Graduate (MSc) studies, in order to promote the study of pure and basic science.

The college is located in sub-urban area and large numbers of students come from nearby villages. Most of them are first generation learners from farming background. As per the popular socio-cultural context, the financially weaker families neglect higher education of girl students even though they are meritorious.

Science faculty at BJS College, take initiatives in preparation for this scholarship in their said subjects, personal interviews and guide students to arrange their testimonials in effective manner. Teachers assist students for online test to evaluate the scientific knowledge and aptitude of the candidates in an objective manner, apart from the marks obtained by the students in their last examinations. The marks achieved in the Online Selection Test form the basis of selection at which the students are finally selected for appearing the MWF scholarships test.

It's a pride to announce that about **46 scholars** from graduate and post-graduate have received MWF scholarship since 2009 till date. Out of which 40 are female and attained higher education and created a bench mark in their respective fields and the success stories of **Ms. Dipali Lande**, Ms. Suvarna Bokale, Ms. Rahatafroj Kadir Shaikh, Ms Aishwarya Shelke, Mr. Amar Belkhede and Mr. Chandrakant Habde, Ms. Komal Bhambe are enclosed within. challenged families neglect higher education of girl students, the Malhotra Weikfield Foundation Scholarship programme gives a strong preference to female students wishing to pursue higher studies in Pure Sciences, and we are proud to announce that **40 girls** have been awarded this scholarship from our college and attained higher education and achieved a great success in their fields.

Evidence of Success: 46 scholars from B.Sc and M.Sc have received MWF scholarship since 2009 till date. Out of these 46 students, 40 are female candidates. Since 2009, the number of advantageous students is increasing. Some of our exemplary students are :

Subject: Reg.: MWF Session-cum-Get together on Saturday - 13th January, 2018

Dear Mentors,

During the last Mentor's Meeting held on 25th July, 2017, there was a suggestion of having a session by Global Talent Track (GTT) to enhance life coaching skills and give a new perspective at career guidance. This could be followed by a Get-together featuring some interactive fun/game activities as an ice-breaker for participants in an informal environment.

With that aim in mind, let's bring in the New Year with the spirit of merriment, sharing and joy that the festivals around the Spring season are usually associated with.

A half day learning session followed by a get-together of Scholars is scheduled as follows:

Saturday – 13th January, 2018

10:30 am to 5:00 pm -> GTT Session

Venue -> Global Talent Track (GTT),

401, 4th Floor, Zero One IT Park, Mundhwa Road, Mundhwa, Pune
411036 (**Landmark**: Near Passport office, Mundhwa)

5 pm onwards -> Proceed from GTT office to Residence of Mrs. Ritu Malhotra

5: 30 pm to 8:30 pm -> Get-together followed by Dinner

Venue -> A-9, Forest Park, Nagar Road, Pune 411-014 (**Landmark**: Opp.
Chandan Marbles Showroom, Indian Oil Petrol Pump) – Route map attached

We would be more than pleased if you could join us for the Get-together and Dinner scheduled from 5:30 pm onwards.

For RSVP or any other clarification, you may contact Mrs. Shirley S. Pinto, (+91 9172221829).

Looking forward to seeing maximum participation from all our Mentors!

Thanks and best regards,

Ritu Malhotra & Priti Malhotra
