

**Bharatiya Jain Sanghatana's Asc College, wagholi**

**Department of Chemistry**

**National Level Seminar Report (2018/19)**

The inauguration of the National Level Seminar on "E-Resources in Teaching, Learning and Research" was organized by the Department of Chemistry and Science faculty of Bharatiya Jain Sanghatana's Arts, Science, Commerce College, Wagholi on 22nd and 23rd January, 2019. Mr. Sunil Muthiyar stated that "Whatever the extent of computer science, the teacher's role will also be important, for this, the teacher has to make a comprehensive discussion on working day-to-day teaching".

The President of the Inauguration function was Hon. Principal of the college Dr. Kishor Deshade. The Seminar was organized by Chemistry Department Head Dr. Sanjay Gaikwad and Co-ordinator Dr. Devidas Patil and Dr. Rupali Gulalkari. In this two-day national expedition, Dr. Avinash Waghmare, Prof. Ramdas Pawar, Shri. Bhavasar Kaushal, Prof. Sandhya Thakkar and Prof. Parag Shah guided us on how to make use of computer tools to educate teachers and students about our day-to-day study and how to do remedies. In this seminar 22 papers were published. Also Professors and read papers in the seminar.

Science faculty Incharge Prof. Deepak Anjal, Dr. Madhuri Deshmukh, Prof. Shivaji Sonawane, Prof. S. S. Patil, Prof. Jyoti Aakhade, all teaching and non-teaching staff have contributed their efforts for the success of this seminar. Anchoring of the seminar was done by Dr. Monika Jain and Prof. Udawant Dhanashri. Vote of thanks was given by Prof. Manisha Bora.
