

Action Taken Report

Feedback on Curriculum by students, Alumni & Teachers

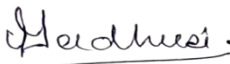

2023-24

The feedback committee of the College collects once a year feedback from all stake-holders on curriculum, teaching staff delivery, laboratory, Office and Sport amenities provided by College.

The feedback is collected by committee and investigation is done. The IQAC includes the suggestions given by stakeholders. Students of all faculties suggested for short courses which would help them to get the jobs. Since students also provided feedback to start few new options for specializations.

During the year 2023-24, the College introduced following work as per the feedback obtained from the stakeholders.

- To bridge the gap between traditional and professional education and to make students self-employable various career oriented programs were organized by Arts, Science and Commerce faculties. Thus for increasing the employability of students total six courses were conducted in the academic year 2023-24. These courses generated an exceptional opportunity for students to learn different skills improvement courses. Altogether, the response from College students was decent.
- College has given proposal to start TYBSc in Botany, Zoology, Physics, Mathematics, MA History along with new professional courses like AICTE approved BBA, BCA and BSc Biotechnology, Post graduate diploma in Analytical techniques.
- For strengthening skills and knowledge of the students various co-curricular and extracurricular events like departmental exhibitions, & interdepartmental competitions were organized. Extra ordinary students were sent for National and International seminar to present their research work, which facilitated the expression of various student abilities and skills.
