## **Best practice -1 Overall physical development of students**

Presently, with the advancement in technology and internet world, screen time and virtual presence of students is increasing abruptly. Consequently, it is the primary need to divert the students from indoor and idle environment to the outdoor physical activities. It will not only improve their body strength but also have positive impact on their mental and social health. In this context, college constantly promotes the students to participate in sports activities without gender discrimination.

The institute has well established infrastructural facility required for different games such as boxing ring, kho-kho, kabaddi, volleyball, football, handball, baseball, ground and athletic track. The institute also has well equipped gymnasium as well as dedicated hall for indoor activities. Our vibrant physical education department is continuously involved in conducting competitions at college, university and state level. It also promotes students of the institute to participate in All India Inter University as well as national level competitions. Sports department invite guest which are keen in the field of physical education to council guide and motivate students to develop world class competency.

Students from the institute have participated in various competitions and won the championships at University state and national level in academic year 2022-23 in different games as mentioned below-
