

Best practice -1 Overall physical development of students

Presently, with the advancement in technology and internet world, screen time and virtual presence of students is increasing abruptly. Consequently, it is the primary need to divert the students from indoor and idle environment to the outdoor physical activities. It will not only improve their body strength but also have positive impact on their mental and social health. In this context, college constantly promotes the students to participate in sports activities without gender discrimination.

The institute has well established infrastructural facility required for different games such as boxing ring, kho-kho, kabaddi, volleyball, football, handball, baseball, ground and athletic track. The institute also has well equipped gymnasium as well as dedicated hall for indoor activities. Our vibrant physical education department is continuously involved in conducting competitions at college, university and state level. It also promotes students of the institute to participate in All India Inter University as well as national level competitions. Sports department invite guest which are keen in the field of physical education to council guide and motivate students to develop world class competency.

Students from the institute have participated in various competitions and won the championships at University state and national level in academic year 2022-23 in different games as mentioned below-

Department Of BCA(SCI)**Activity Report****Academic Year -2022-2023**

BCA Science Department organised "Avishakar Competition" on 28th September 2022.

In this Competition two students were Participated from FYBCA(SCI) , Prashant Shelke and Komal Palade. Project was on **Animal Accident Avoid System** and the title was "on **Animal Accident Avoid System**"

In this project, sensor car was Developed .This car is used to show how we can avoid accidents of animals by using new technology.

Developed nations are facing today is death and injuries due to road accidents. The collision of an animal with the vehicle on the highway is one such big issue which leads to such road accidents. In this paper, a simple and a low-cost approach for automatic animal detection on highways for preventing animal-vehicle collision using computer vision techniques are proposed.

Arduino Micro Controller kit was used in this project. We have used **Ultra sonic sensor** in this project

Arduino designs, manufactures, and supports electronic devices and software, allowing people around the world to easily access advanced technologies that interact with the physical world.

Ultrasonic Sensor HC-SR04 is a sensor that can measure distance. It emits an ultrasound at 40000Hz (40kHz) which travels through the air and if there is an object or obstacle on its path It will bounce back to the module. Considering the travel time and the speed of the sound you can calculate the distance.

Students made this project in a very beautiful manner under the guidance of BCA(SCI) faculties Prof.Suvarna Patil and Prof Mahesh Rushi.

From this project, all the students got a message on how to prevent animal rode accident by using new technology.

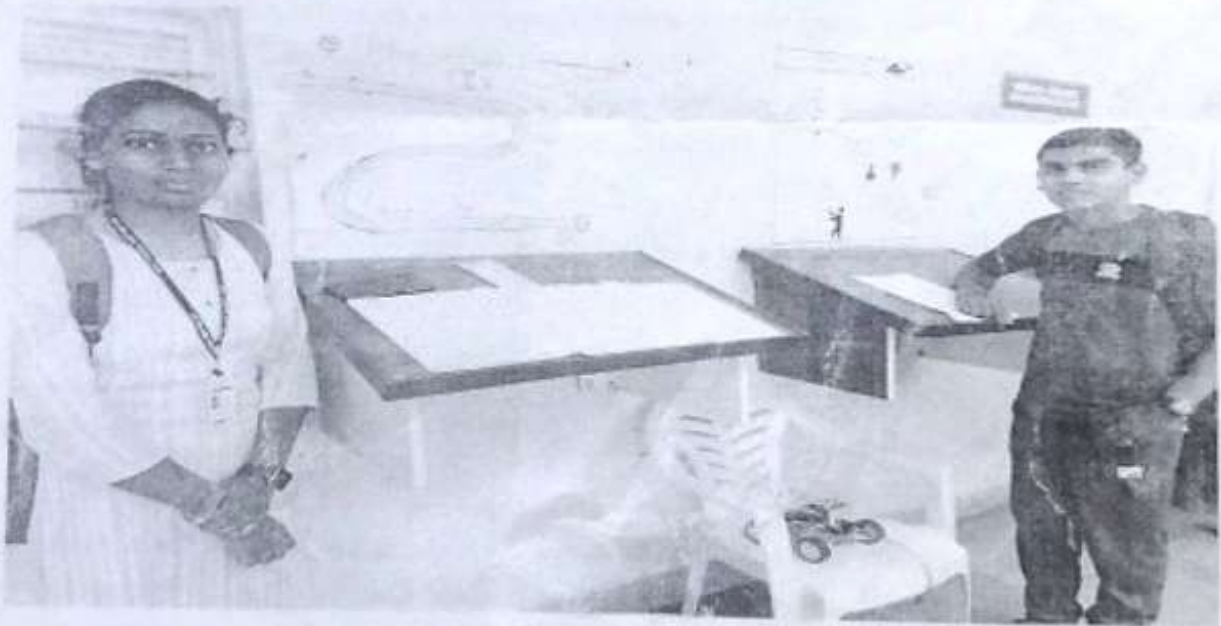

This Project is selected for Zonal Level By university our college congratulates and wishes bright future for both the selected students.

Activity Name :- Guest Lecture on Android Programming and Data Base Connectivity

Date :- 14th March 2023

Time 10:30am -1:00 pm

Bharatiya Jain Sanghtana's Arts, Science and Commerce College Department of BCA (Science) organized Seminar on "Android Programming and Data base connectivity" for TY and SY BCA students on 14th March 2023 from 10 to 1pm.

The seminar lecture was delivered by Honorable Dr. Bharti Kawade, Assistant professor, MIT Art Commerce and Science College, Alandi.

She discussed various techniques related to creating apps and different operations regarding newly created app and data base connectivity which is very important role to support all this apps. She also gave meaningful information related to Android Programming .

The Session was very interactive and also solved student's doubts and queries. She also discussed new idea about building android apps and its use. 60 students of BCA department and all faculty members participated in the seminar.

Android Programming is very new language and is an open source and Linux-based Operating System for mobile devices such as smartphones and tablet computers.

Android Studio is the official IDE for android application development. App development on Android was almost exclusively done using the Java programming language.

Dr. Manisha Bora felicitated Dr. Bharati Kawade. The coordinator Mrs. Suvarna Patil gave introduction of program and also introduced the guest . Mr. Sanjay Manvatkar delivered the Vote of thanks. BCA department is thankful to the Mangement,

Honourable Shri Bapu Salunke and Principal Dr. Sanjay Gaikwad for their continuous support and encouragement.

Appreciation Letter

Dear Sir/Madam,

I would like to extend warm gratitude for organizing Soft Skill Training in 19 July to 26 July our Bharatiya Jain Sanghatanas ASC College Wagholi , Pune. It was great approach from **Ms. Pallavi Barage & Mr. Anup Kembhavi** for conducting batch & communicating the message regarding starting of soft skill training with our Graduate's students.

Ms. Pallavi Barage & Mr. Anup Kembhavi has taken an amazing training sessions of the students. She guided the student's to build the confidence level, to improve communication, how to deal with stress management & team work and make them ready for job. She has taken the Mock interview of each and every student which will be helpful for students to crack the interview. Basically our students are from rural area, so they learnt so many things from the training.

Well known companies took part in the placement drive..

It was a great thing that some students are placed in various companies & some students are in process of joining the company.

We appreciate the work done by organization will be associated for long duration with Magic Bus India Foundation for Employability skill training & placement.

Thanks & Regards

Subject: Seeking permission for Study Visit...

Respected sir,

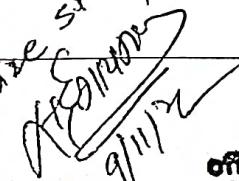

I am writing this letter to seek your permission for the visit at 'Farmer Producer Company' and 'Agriculture University, Dapoli, Ratnagiri' on the 15th of November 2022 to 16th November 2022. The route of the study tour is Wagholi - ~~Katraj-Bhor-Shirgaon-Varandhaghat~~ ^{Mudshi - Mangon} - Mahad-Palgad-Dapoli-Lanja-Ganpatipule and return to Wagholi, Pune. I would like to share that we have planned this study visit for our 'Commerce Students' in order to give them an insight about the way things in the real study work scenario as well as interaction with concern authorities, employees and customer's etc.

There would be a total of 42 students accompanied by a 3 faculty members and 1 peon from our college. The visit is aimed at enhancing their knowledge under 'Scheme of Credits' as per SPPU norms. We intend to take a round of the entire field and show the tasks handled in different problems and situations to our students. We have planned to collect study visit fee Rs.2,000/- per students. I hope you will allow us the opportunity to visit field and meet the skilled managerial personnel, employees as well as customer's etc. I anticipate a positive response from your end.

Thanks and Regards,

Best practice -1 Overall physical development of students

Presently, with the advancement in technology and internet world, screen time and virtual presence of students is increasing abruptly. Consequently, it is the primary need to divert the students from indoor and idle environment to the outdoor physical activities. It will not only improve their body strength but also have positive impact on their mental and social health. In this context, college constantly promotes the students to participate in sports activities without gender discrimination.

The institute has well established infrastructural facility required for different games such as boxing ring, kho-kho, kabaddi, volleyball, football, handball, baseball, ground and athletic track. The institute also has well equipped gymnasium as well as dedicated hall for indoor activities. Our vibrant physical education department is continuously involved in conducting competitions at college, university and state level. It also promotes students of the institute to participate in All India Inter University as well as national level competitions. Sports department invite guest which are keen in the field of physical education to council guide and motivate students to develop world class competency.

Students from the institute have participated in various competitions and won the championships at University state and national level in academic year 2022-23 in different games as mentioned below-

Activity Report- Parents Meeting

Academic Year -2022-2023

Department of BCA Science organize Partents Meeting on 11th February 2023 For the TY and SY BCA Science students .

Parent Teacher interaction is very important in the academic year and is a great opportunity to share academic progress and growth based on classroom observations, testing data, assessments, portfolios as well as to learn from parents or guardians so they can be better informed about students' strengths, needs, behaviors, and learning styles .

In this Meeting Principal Dr Sanjay D. Galkwad communicate Our Institute Social Work from 1985 till now , how Bharatiya Jain Sanghatana's (BJS) has been in the forefront of addressing national concerns in the areas of Disaster Response, Social Development and Educational Initiatives. Having its head office in Pune, BJS is a non-political, non-profit, professionally managed Non-Governmental Organization (NGO) with a nationwide footprint working towards the benefit of all.

Over the years of its existence, BJS has practiced and perfected its approach and processes in the chosen areas of its work. It has rich and multi-dimensional experience of working at the grassroots as well as contributing to policy-level thought processes and decision making. BJS has worked with Central and many State governments and NGOs to implement many of its projects.

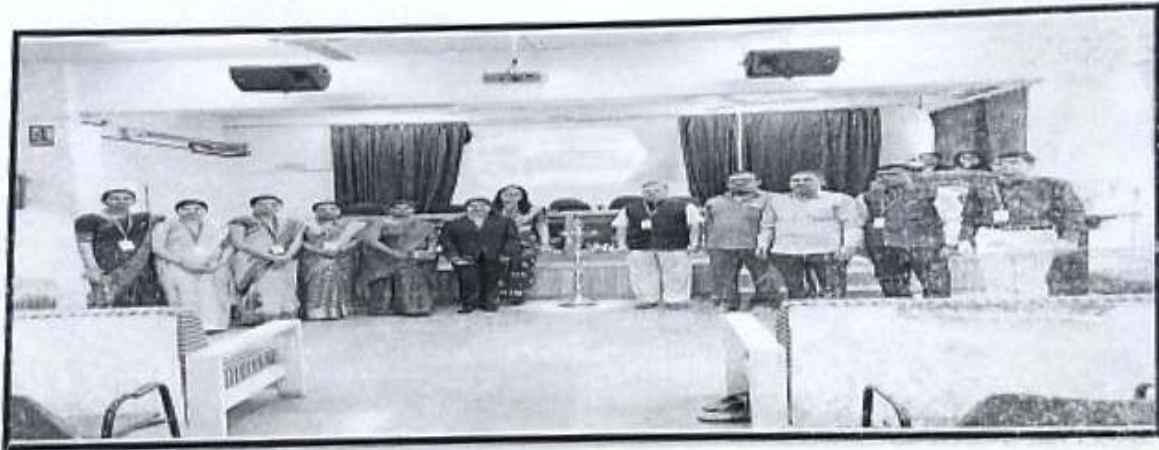

Mrs. Patil Suvarna gives introduction about the program and explain importance of teacher discuss enrichment or intervention strategies to support students' learning and also discuss issues that may be interfering with students' learning and growth.

Department Of BCA(SCI)**Activity Report****Academic Year -2022-2023**

BCA Science Department organised "Avishakar Competition" on 28th September 2022.

In this Competition two students were Participated from FYBCA(SCI) , Prashant Shelke and Komal Palade. Project was on **Animal Accident Avoid System** and the title was "on **Animal Accident Avoid System**"

In this project, sensor car was Developed .This car is used to show how we can avoid accidents of animals by using new technology.

Developed nations are facing today is death and injuries due to road accidents. The collision of an animal with the vehicle on the highway is one such big issue which leads to such road accidents. In this paper, a simple and a low-cost approach for automatic animal detection on highways for preventing animal-vehicle collision using computer vision techniques are proposed.

Arduino Micro Controller kit was used in this project. We have used **Ultra sonic sensor** in this project

Arduino designs, manufactures, and supports electronic devices and software, allowing people around the world to easily access advanced technologies that interact with the physical world.

Ultrasonic Sensor HC-SR04 is a sensor that can measure distance. It emits an ultrasound at 40000Hz (40kHz) which travels through the air and if there is an object or obstacle on its path It will bounce back to the module. Considering the travel time and the speed of the sound you can calculate the distance.

Students made this project in a very beautiful manner under the guidance of BCA(SCI) faculties Prof.Suvarna Patil and Prof Mahesh Rushi.

From this project, all the students got a message on how to prevent animal rode accident by using new technology.

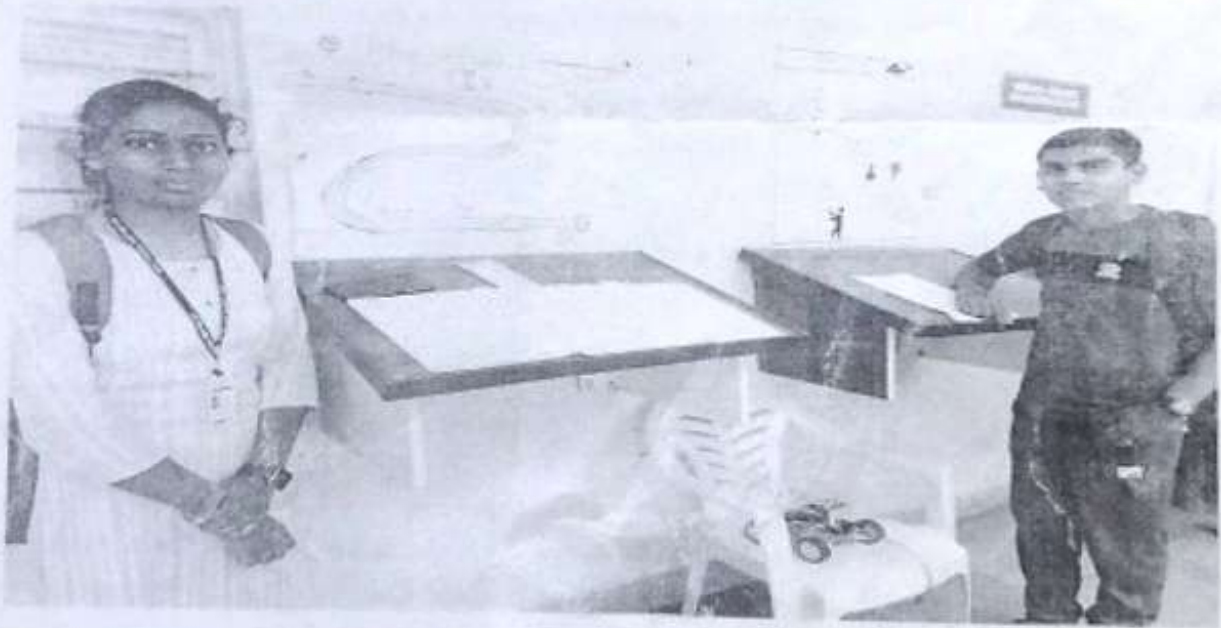

This Project is selected for Zonal Level By university our college congratulates and wishes bright future for both the selected students.

Activity Name :- Guest Lecture on Android Programming and Data Base Connectivity

Date :- 14th March 2023

Time 10:30am -1:00 pm

Bharatiya Jain Sanghtana's Arts, Science and Commerce College Department of BCA (Science) organized Seminar on "Android Programming and Data base connectivity" for TY and SY BCA students on 14th March 2023 from 10 to 1pm.

The seminar lecture was delivered by Honorable Dr. Bharti Kawade, Assistant professor, MIT Art Commerce and Science College, Alandi.

She discussed various techniques related to creating apps and different operations regarding newly created app and data base connectivity which is very important role to support all this apps. She also gave meaningful information related to Android Programming .

The Session was very interactive and also solved student's doubts and queries. She also discussed new idea about building android apps and its use. 60 students of BCA department and all faculty members participated in the seminar.

Android Programming is very new language and is an open source and Linux-based Operating System for mobile devices such as smartphones and tablet computers.

Android Studio is the official IDE for android application development. App development on Android was almost exclusively done using the Java programming language.

Dr. Manisha Bora felicitated Dr. Bharati Kawade. The coordinator Mrs. Suvarna Patil gave introduction of program and also introduced the guest . Mr. Sanjay Manvatkar delivered the Vote of thanks. BCA department is thankful to the Mangement,

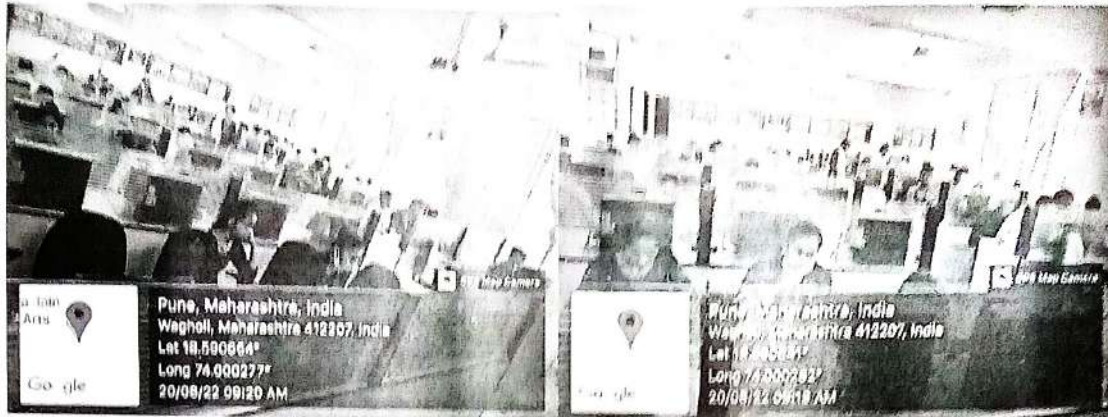

Honourable Shri Bapu Salunke and Principal Dr. Sanjay Gaikwad for their continuous support and encouragement.

Appreciation Letter

Dear Sir/Madam,

I would like to extend warm gratitude for organizing Soft Skill Training in 19 July to 26 July our Bharatiya Jain Sanghatanas ASC College Wagholi , Pune. It was great approach from **Ms. Pallavi Barage & Mr. Anup Kembhavi** for conducting batch & communicating the message regarding starting of soft skill training with our Graduate's students.

Ms. Pallavi Barage & Mr. Anup Kembhavi has taken an amazing training sessions of the students. She guided the student's to build the confidence level, to improve communication, how to deal with stress management & team work and make them ready for job. She has taken the Mock interview of each and every student which will be helpful for students to crack the interview. Basically our students are from rural area, so they learnt so many things from the training.

Well known companies took part in the placement drive..

It was a great thing that some students are placed in various companies & some students are in process of joining the company.

We appreciate the work done by organization will be associated for long duration with Magic Bus India Foundation for Employability skill training & placement.

Thanks & Regards

Subject: Seeking permission for Study Visit...

Respected sir,

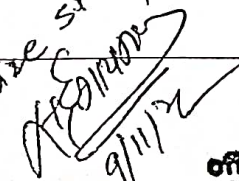

I am writing this letter to seek your permission for the visit at 'Farmer Producer Company' and 'Agriculture University, Dapoli, Ratnagiri' on the 15th of November 2022 to 16th November 2022. The route of the study tour is Wagholi - ~~Katraj-Bhor-Shirgaon-Varandhaghat~~ ^{Mudshi - Mangon} - Mahad-Palgad-Dapoli-Lanja-Ganpatipule and return to Wagholi, Pune. I would like to share that we have planned this study visit for our 'Commerce Students' in order to give them an insight about the way things in the real study work scenario as well as interaction with concern authorities, employees and customer's etc.

There would be a total of 42 students accompanied by a 3 faculty members and 1 peon from our college. The visit is aimed at enhancing their knowledge under 'Scheme of Credits' as per SPPU norms. We intend to take a round of the entire field and show the tasks handled in different problems and situations to our students. We have planned to collect study visit fee Rs.2,000/- per students. I hope you will allow us the opportunity to visit field and meet the skilled managerial personnel, employees as well as customer's etc. I anticipate a positive response from your end.

Thanks and Regards,
