7. Program Report : Village Survey : Theur

On behalf of the Department of Geography, All Geography Special students conducted village survey on Wednesday 28th February 2024 at Theur. The basic objective of this survey was to get information about the economic and social factors of rural areas. For this, a preliminary survey questionnaire was prepared for the village survey keeping in mind the issues of people's education, business, employment, health, home and village facilities etc. For this, each student who participated in the survey conducted a survey of at least three to five families. During this survey, the students interacted with the people of the village and while giving information, the villagers also gave a spontaneous response to the students. Based on the information obtained, a report was prepared regarding the economic and social component of the family in Theur village. The planning of this entire village survey was done by Assi. Prof. Nikhil Agale and Head of Geography Department Dr. Jyotiram More did the planning of this entire survey and during the

actual village survey, the principal of the college Dr. Sanjay Gaikwad provided invaluable guidance from time to time.
