Dear Sir/Madam

 Greetings by Apollo Tyres Ltd.

Apollo Tyres with its Global footprint and commitment towards safeguarding nature and sustainability and has featured Mangrove Conservation as one of the crucial projects under Biodiversity Conservation theme.

As a part of our commitment, we have been generating nature awareness on biodiversity & mangrove conservation, by organising a quiz event titled **Environment and Nature Quiz** since 2018, which has been a great hit among colleges. This year, we have selected colleges from Kerala, Andhra Pradesh, Tamil Nadu, Maharashtra, Karnataka and Gujrat for Environment and Nature Quiz 2023. Qualifier & grand finale of quiz contest will be conducted through offline this year.

The quiz is open for students who are pursuing bachelor courses (BSc) in Zoology/ Botany/Environmental Sciences/Biotechnology/Aquaculture/Marine Science etc.

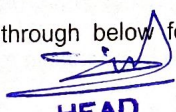

Participation is through invitation only and there is **no registration fee**. The team shall comprise of **two students and each college can nominate only one team**. This contest shall feature Qualifier (Also known as a State level) Rounds and a Final Round (Also Known as a National Level).

As a premier academic institution, we invite you to take part in the Quiz competition which will be an excellent opportunity for your students to apply to learn and share their environmental acumen with the real world of conservation science.

The Qualifier round of Maharashtra will be held on 15th September 2023. Timings and rules & regulations will be confirm once confirmation done from your side. Through this letter we request your participation. Kindly **confirm your participation latest by 10th August, 2023**, so that we can work out the modalities.

For further information and queries, please feel free to contact the undersigned. The detailed rules and regulations shall be sent on your confirmation of participation.

Kindly confirmed your participation through below format. (Revert below table with the details and confirm the participation as early as possible)
